

SUSTAINING SPONSORS

Our mission is to provide conscientious treatments for historic buildings at the end of their life cycle. Re:Purpose Savannah captures and shares the historic value through research and documentation of the building, shared in our online archive, Re:Purpose Neighborhood, and through careful deconstruction and salvage of the architectural fabric, available for purchase at our marsh-front Lumber Yard.

Join our membership of sustaining sponsors by committing to a monthly donation of funds.

Benefits include:

- Your brand represented on our website
- Our sponsor badge on your website
- Special recognition on social media
- Sponsorship gifts listed below

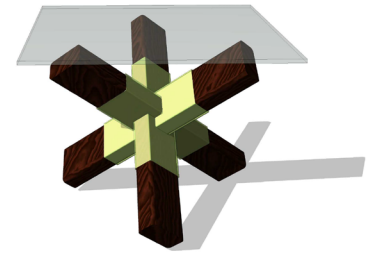

Sill Beam Level: \$500/mo

Sponsorship gift: Custom conference table designed and built by Re:Purpose executive board member Bryan Mossing. Valued at \$5,000 each. Minimum 12 month commitment.
